

Lost At Sea

(Roger McNamee)

Riff

D A Bm G
The tide rolls in; waves crash upon the beach
D F# G A
Thoughts of you just beyond my reach
D A Bm G
Lost at sea, no compass, chart or course to set
D F# G A
All alone, without a home, without a net

D A Bm G
Lost at sea is where I'll be if you won't let me join your team
D F# G A
Lost at sea, endlessly, but I will not give up my dream ... of you

The tide rolls out, left behind and full of doubt
Thoughts of me struggling with no way out
Lost at sea, spinning, twisting, helplessly
All I have is worthless unless you're with me

Lost at sea is where I'll be if you won't let me join your team
D D7
Lost at sea, endlessly, but I will not give up my dream ... of you

Bridge

G A Bm
I pray your love will set me free
G D A
I'd give anything if you'd talk to me
G A Bm A G
I know our lives will never be the same
G A
You don't even know my name

The tide rolls out, left behind and full of doubt
Thoughts of me struggling with no way out
Lost at sea, spinning, twisting, helplessly
All I have is worthless unless you're with me

Lost at sea is where I'll be if you won't let me join your team
Lost at sea, endlessly, but I will not give up my dream ... of you
