Roger McNamee

G# C#9 G# C#9 (repeat)

G# C#9 G# C#9 G# C#9 G# C#9

Up in the clouds is where my heart soars when I think of you

G# C#9 G# C#9 G# C#9

Beyond the reach of nightmares that often make me blue

D# A#m Fm D#

First to see the sunrise and last to see it set

A#m Fm C# D# G# C#9 G# C#9

My life is just my love for you and my love for you has no regret

Up in the clouds where all your angels live is where I want to go

Arm in arm with you, my love, my love is all I know

Tell me that you want me, tell I'm okay

That when you dream you dream of me through the night until you wake each day

chorus **D# A#m**

Up in the clou-ow-ow-ow-ouds

Fm D#

I love to say, "I love you"

A#m Fm

Say it out lou-ow-ow-ow-oud

C# D# G# C#9 G# C#9

Won't you say, "I lov-ov-ove you"

Up in the clouds is where my head is when I start each day

Hoping to find some answers to the riddles that you say

Anything I can do, I would do for you

Just tell me what you want, my love, and what you want is what I will do

Bridge

Cm A# D#

Don't you try to tell me that you don't understand.

Cm A# D#

The feelings that I have for you that make me who I am

Cm A#

Don't you try to tell me I'm not the man for you

Fm C# D# G# C#9 G# C#9

That will only break my heart, only break my heart in two

chorus

Up in the clou-ow-ow-ow-ouds

I love to say, "I love you"

Say it out lou-ow-ow-ow-oud

Won't you say, "I lov-ov-ove you"
